OUR MISSION

Texoma Family Shelter's mission is to help homeless families and individuals achieve self-sufficiency by guiding them toward productive skills and attitudes, and by providing lodging and sustenance in a safe and supportive environment.

ABOUT US

Since 1987, Texoma Family Shelter, located at 331 W. Morton Street in Denison has been the only 24/7/365 homeless shelter in the Texoma area that provides adult individuals and entire families an extended stay, program-based environment. All services are provided at no cost.

WE PROVIDE

- Clean, safe sleeping rooms for families and individuals
- Shower and laundry facilities, toiletries, linens
- Meals and food pantry services
- Clothing and personal hygiene items
- Case management including assistance with job searches, locating permanent housing, financial literacy/budgeting, education, and referrals to other agencies and services
- Non-residential services to individuals and families including hot meals, food boxes, and referrals to other social services.

OUR GOALS

- Provide safe shelter and sustenance for those struggling with homelessness or the threat of homelessness.
- Foster growth and hope for these families and individuals.
- Transition at-risk individuals to independence and self-sufficiency.
- Lessen the negative impact of homelessness on both children and parents by keeping families intact.

YOUR SPONSORSHIP MATTERS

The **42 Bed Bash** is our largest fundraiser, and its success is vital to our programs. The shelter relies on donations from our community, grants, and fundraisers like the **42 Bed Bash** to cover operating expenses. **Your sponsorship will help us provide a brighter future for our neighbors facing homelessness or the threat of homelessness.**
